Éloquence, a great wine from Gigondas, is made from old Grenache vines that grow on sunny slopes at the foot of the Dentelles de Montmirail. Consisting of limestone and a layer of blue clay, the soil produces outstandingly rich, complex wines. Made only in the best vintages, and with the greatest respect for tradition, this hand-crafted wine represents the ultimate expertise of our artisan winegrowers handed down over generations.

Visuel non contractuel. Disponible courant 2017.

› **WINEMAKING & AGEING METHODS**

Long fermentation (20-30 days) with daily pumping over and «délestage» (rack and return). Temperature control and regular tasting throughout the process to find the optimum balance between fruit and structure. Ageing: 9 months in oak barrels and 9 months in vat.

› **TASTING NOTES**

Deep ruby-red colour and a powerful nose with notes of blackcurrant and subtle hints of toast, spice and garrigue. Strong, yet elegant and smooth on the palate with flavours of black fruit, mocha and liquorice. The very long aftertaste confirms the quality of this great wine.

› **SOMMELIER'S SUGGESTIONS**

This fine wine is the perfect accompaniment to truffle ravioli, veal chop with chanterelle mushrooms, mature cheeses, and steak with potatoes. Decanting 1-2 hours before the meal will enable this wine to express its full personality. While impressive young, it needs 4-5 years to reach its peak.
