Organic wine

Saint Cyr Winery

BEAUJOLAIS ROSÉ

*The key words are finesse and elegance.
A rosé you can enjoy from apéritif to dessert.*

**Meets the requirements
of the Organic Wine Charter**

Grape variety : Gamay 100%

Soil : Clay/lime

Yield : 40 hl / ha

Vinification :

- Skin contact maceration
- Low-temperature fermentation
- Malolactic fermentation

Matured : 6 months in vats.

Alcohol content : 12,5% by volume

For information :

In the vineyard :

This rosé wine comes from vines with an average age of 25 years, grown with a high density of plants per hectare to preserve the quality of the grapes.

Cultivation :

Wine from organically-grown grapes :

- from vineyards run by the Saint-Cyr family,
- cultivated in an environmentally-friendly manner,
- planted with grass or tilled,
- no chemical fertilizers,
- no herbicides,
- no pesticides.

Harvesting :

Mid-September, in the early morning coolness..

Tasting notes: :

Eye : fine, intense pink colour

Nose : hints of fresh, small red berry fruits (redcurrant, raspberry).

Palate : good freshness, long-lasting red berry fruit aromas.
