

CHÂTEAU FLEUR HAUT GAUSSENS

CABERNET FRANC

La Bergeronnette 2018

La Bergeronnette is the second varietal wine produced at Château Fleur Haut Gaussens. This wine is made of a selection of our best plot chosen for the quality of its soils as well as its remarkable exposure. This wine reveals a beautiful purity and a great finesse. A light maturing in barrels brings a great complexity and the elegance expected by this single-grape variety. Aging potential: +/- : 10 years.

2018 is a surprising vintage. The vineyard saw an important mildew pressure. The weather was unstable up until the summer season. It has radically changed in the beginning of August until October which enabled a high-quality harvest. The recent use of a densimetric bath enhance a very precise sorting of the berries. Thanks to a sunny vintage, 2018 cuvée could reach a perfect ripeness. It's a frank success.

The bouquet is fiery with subtle notes of black fruit. The palate is medium-bodied with black fruit and woody flavors. The finish is fresh, in the mouth the wine coat your palate with a precise extraction and with elegance.

Appellation : Bordeaux Supérieur

Terroir : Limestone and clay - Average vines age : 6 years
Superficy : 2ha - Density Control : 4500 ft / ha

Varietal: 100% Cabernet Franc
