

# MUS PINOT NOIR

## PAYS D'OC IGP

### ABOUT THIS WINE

This Pinot Noir from Domaines Julien & Fils is a beautiful expression of the variety, with a lovely red color and charming aromas of violet, peony, and red fruits. The wine is fresh, round, and elegant, with a sweet spicy finish. The estate has a long history of producing exceptional wines in the Languedoc region.

### TASTING NOTES

Expressive and charming on the nose with lovely floral notes. Fresh, round, and elegant on the palate with hints of red fruits and a sweet spicy finish.

### VINIFICATION

The wine is crafted using traditional methods, with particular attention to grape health. The grapes are harvested at full maturity and undergo a 5-week maceration process in tanks, with fermentation using selected yeasts. After fermentation, the free-run and press wines are kept separately and sometimes blended, depending on the aromatic and gustatory expression of the vintage.
